GAMING COMPACT

INTRODUCTION

THIS COMPACT is entered into pursuant to the Indian Gaming Regulatory Act of 1988, P.L. 100-497, codified at 25 USC §2701-2721 and 18 USC §1166-1168 (hereafter I.G.R.A. or Act).

PARTIES

THIS TRIBAL-STATE COMPACT is made and entered into by and between the MUCKLESHOOT INDIAN TRIBE (hereafter "Tribe"), a federally-recognized Indian Tribe, possessed of all sovereign powers and rights thereto pertaining; and the STATE OF WASHINGTON (hereafter "State"), as a sovereign state of the United States, with all rights and powers thereto pertaining.

DECLARATION OF POLICY AND PURPOSE

IGRA provides for the negotiation of compacts between States and Tribes to govern the conduct of Class III gaming. Indian tribes have rights under IGRA to regulate gaming activities on Indian lands if the gaming activity is not specifically prohibited by federal law and is conducted within a state which does not, as a matter of criminal law and public policy, prohibit such gaming activity. The overarching policy of IGRA is to provide a framework for the operation of gaming by Indian tribes as a means of promoting Tribal economic development, self-sufficiency and strong Tribal governments, as well as providing a basis for the regulation of gaming by an Indian tribe adequate to shield it from organized

crime and other corrupting influences, to ensure that the Indian tribe is the primary beneficiary of the gaming operation and to assure that gaming is conducted fairly and honestly by both the operator and players. The terms and conditions set forth below to regulate Class III gaming conducted by the Tribe have been agreed to pursuant to that congressional mandate.

It is the stated intention of the parties hereto to foster full cooperation between the Tribe and the State on the basis of a shared concern for the welfare and protection of all the members of the Tribe and citizens of the State as a result of gaming on the Muckleshoot Reservation. Through the partnership of this Compact, the parties desire to further the purposes of IGRA for the benefit of the Tribe and the protection of the State, by creating a cooperative means through which the Tribe may lawfully conduct Class III gaming activities on the Muckleshoot Reservation in conjunction with the State, which permits such gaming for any purpose by any person, organization or entity. To that end, this Compact defines the manner in which laws regulating the conduct of Tribe's Class III gaming activities are to be applied in order that the respective Tribal and State interests may be met.

The Tribe and the State have mutually agreed, within the parameters established by the Act, to the following provisions governing the conduct of Class III gaming activities on the lands of the Tribe, which are designed to (a) protect the health, welfare and safety of the citizens of the Tribe and the State, (b) develop and implement a means of regulating Class III gaming on the Muckleshoot Reservation in order to ensure the fair and honest

operation of such gaming, (c) minimize the possibility of corruption or illegal practices in conjunction with such activities, and (d) maintain the integrity of Class III gaming within the State.

The policy of the State, as set forth in Chapter 9.46 RCW, is to allow limited and highly regulated casino gaming for non-profit organizations, and to restrain persons from seeking profit from professional gambling activities. The provisions of Chapter 9.46 RCW and Title 230 WAC regulate gambling activities; the provisions of Chapter 67.16 RCW and Title 260 WAC authorize and regulate horse racing activities, including parimutuel satellite wagering, in Washington State. The State agrees that the Tribe is authorized, as a result of the provisions of IGRA and the terms of this Compact, to engage in the Class III gaming activities expressly permitted herein.

The Tribe and the State believe the conduct of Class III gaming under the terms and conditions set forth below will, from a regulatory perspective, benefit the Tribe and the State and protect the members of the Tribe and the citizens of the State consistent with the objectives of IGRA.

NOW, THEREFORE, in consideration of the foregoing and the mutual benefits to be derived, the Tribe and State do enter into this Compact as provided for herein.

If the State takes no action within the 60 days, the Tribe may begin offering the game. If a dispute arises between the Tribe and the State with respect to the nature of the game, security issues, rules of play, or training and enforcement associated with regulation, the State and Tribal Gaming Agencies shall meet and resolve the dispute prior to the time play of that game can begin. If the dispute cannot be resolved by the parties through discussion, then the Tribe may initiate formal negotiations subject to the provisions of the Indian Gaming Regulatory Act. Provided further, that upon mutual agreement of the Tribal and State Gaming Agencies, some or all of the unresolved issues may be submitted to arbitration under Section XII.C.

C. Other Class III Table Games. With respect to any other Class III table games similar to those set forth above that would also be authorized for play for any purpose by any person, organization, or entity in the State and which are not otherwise treated as Class II gaming in Washington pursuant to 25 USC

§2703(7), the Tribe shall provide the game regulations thereof to the State Gaming Agency at least thirty (30) days prior to the time play shall begin. If the State Gaming Agency takes no action within said 30 days, the Tribe may begin offering the game. If a dispute arises between the Tribe and the State Gaming Agency with respect to issues including, but not limited to, the rules of the game, legality of the game, manner of play, or training and enforcement associated with the regulation thereof, the State and Tribal Gaming Agencies shall meet and attempt to resolve the dispute through good faith negotiations prior to the time play of that game can begin. If either party believes, after such negotiations have commenced, that a resolution by the parties cannot be achieved, then either or both parties shall be entitled to have the dispute resolved pursuant to the dispute resolution provisions of Section XII.C below.

D. Authorized Gaming Operation and Facility. The Tribe may establish one Class III gaming operation and gaming facility, to be located on the Muckleshoot Reservation, for the operation of any Class III games authorized pursuant to this Compact.

E. Forms of Payment. All payment for wagers made in authorized forms of Class III gaming conducted by the Tribe on the Muckleshoot Reservation, including the purchase of chips or tokens for use in wagering, shall be made by cash, cash equivalent, credit card or personal check. Except for said use of credit cards, no credit shall be extended to any patron of the gaming facility for gaming activities.

F. Size of Gaming Floor. The actual size of the gaming floor devoted to Class III activities within the gaming facility, excluding floor space used in connection with the conduct of satellite wagering, shall not exceed 15,000 square feet.

G. Number of Gaming Stations. The maximum number of Class III gaming stations initially authorized for use on the gaming floor within the gaming facility shall be twenty six (26). Notwithstanding the foregoing, the Tribe has the option to use a total of twenty seven (27) gaming stations within the facility if and when the proceeds from one (1) of those gaming stations are dedicated to support non-profit organizations and their activities within the State of Washington. For the purpose of the determination of "proceeds" from the non-profit station only, proceeds shall mean the net win less the pro rata cost of regulation and operation, specifically excluding capital costs. The net win from the non-profit station is not subject to the community contribution established under Section XIV.C of this Compact. The maximum wager limit for the non profit gaming station shall be \$25. The Tribal Gaming Ordinance shall set forth regulations concerning the types of bona-fide non-profit organizations and/or the types of projects of such organizations which shall be supported by the non-profit station; and the Washington State Council on Problem Gambling, or a successor organization if the Council ceases to exist, shall be a beneficiary with respect to the non-profit station. After six (6) months of continual operation of the Class III facility, and provided that no violations as set forth in Section III.H.2 have occurred, the

number of gaming stations may be increased (excluding the non-profit station) to thirty-one (31). At the time the operation is increased to 31 gaming stations the State and Tribal Gaming Agencies will thoroughly review the non-profit program conducted by the Tribe, and conduct discussions and negotiations regarding the terms and conditions of an extension of this non-profit program by amendment of this Compact.

H. Wagering Limitations.

1. Initially the maximum wager shall be as follows: Thirteen (13) of the gaming stations shall not exceed twenty-five dollars (\$25); and thirteen (13) gaming stations shall not exceed ten dollars (\$10). Provided, that when the number of Class III gaming stations are increased after six (6) months of operation the wagering limits shall be increased to the following: thirteen (13) of the gaming stations shall not exceed twenty-five dollars (\$25); one (1) gaming station shall not exceed one-hundred dollars (\$100); and the remainder shall not exceed ten dollars (\$10).

2. An increase in the number of gaming stations and/or wager limits authorized is conditioned on compliance with the following criteria:

a. There have been no violation(s) of the provisions of this Compact which have resulted in sanctions imposed by the Federal District Court;

b. There have been no substantial and repeated violations of Sections III and IV of this Compact against the gaming facility; and

c. There have been no material adverse impacts on the public safety or welfare of the surrounding communities in the nature of criminal activities directly related to the operation of the Class III facility.

3. Should the State or any political subdivision thereof increase the wagering limits permitted for licensed fund-raising events or card games operated by any person for any purpose, upon thirty (30) days written notice to the State Gaming Agency from the Tribe, the Tribe may authorize the same wagering limits.

4. Notwithstanding anything herein to the contrary, after five (5) months of continual operation of the Class III gaming facility, the Tribal and State Gaming Agencies will review the gaming operation and activities and, if there is no evidence under the conditions set forth in Section III.H.2 above and no other evidence to indicate that the operation should not expand the number of gaming stations and wager limits, upon a showing of the ability of the staff and management to operate under the increased limits, the Tribal and State Gaming Agencies shall authorize an increase in the number of gaming stations and wager limits in conformity with the increases authorized in III.G and III.H above.

I. Hours of Operation. Except as set forth below, the maximum number of operating hours for the gaming operation shall not exceed an average of eighty (80) hours per week on an annualized basis. The Tribe may schedule the hours to best meet market conditions and may operate any day of the week. Notwithstanding the foregoing, no Class III gaming may be conducted

between the hours of 2:00 a.m. and 6:00 a.m. Prior to the opening of the gaming operation, and on a quarterly basis thereafter, the Tribal Gaming Agency will provide to the State Gaming Agency and the City of Auburn a schedule indicating the hours of operation of the Class III facility.

J. Ownership of Gaming Facility and Gaming Operation. The gaming operation and the gaming facility shall be owned and operated by the Tribe, but the Tribe shall be entitled to contract for management of the gaming facility and gaming operation. Any such contract shall subject the manager to the terms of this Compact, including annual certification and licensing.

K. Prohibited Activities. Any Class III gaming activity not specifically authorized in this Compact is prohibited. Unless subsequently authorized by the State, all Class III gambling devices are prohibited. Nothing herein is intended to prohibit or restrict otherwise lawful and authorized Class II gaming activities on the Muckleshoot Reservation or within the gaming facility.

L. Age Limitations. No person under the age of eighteen (18) shall participate in any gaming operation, or be allowed on the Class III gaming floor authorized by this Compact during actual hours of operation. Should alcoholic beverages be offered on the gaming floor pursuant to applicable law, then no patron under the age of twenty-one (21) shall be permitted on the gaming floor during actual hours of operation.

M. Prohibition on Firearms. The possession of firearms by any person within the gaming facility shall be strictly prohibited. Provided, this prohibition shall not apply to authorized agents or

officers of the Tribal Gaming Agency, Tribal Law Enforcement Agency, State Gaming Agency, or State and Local law enforcement agencies.

IV. LICENSING AND CERTIFICATION REQUIREMENTS

A. Gaming Operation and Facility. The gaming operation and gaming facility authorized by this Compact shall be licensed by the Tribal Gaming Agency in conformity with the requirements of this Compact prior to commencement of operation, and annually thereafter. Verification of this requirement shall be made by the Tribal Gaming Agency and the State Gaming Agency and, as applicable to the satellite wagering facility and operation the Washington Horse Racing Commission, through a joint pre-operation inspection scheduled at least ten (10) days prior to the scheduled opening to the public. If the facility does not meet the requirements, the Tribal Gaming Agency and/or State Gaming Agency must send a non-compliance letter within seven (7) working days after completion of the inspection. If the Tribal and State Gaming Agencies do not agree on whether the facility meets the requirements, the agencies will meet within ten (10) working days from receipt of the non-compliance letter and work together to resolve concerns. If a dispute regarding this inspection cannot be resolved by the gaming agencies within a reasonable time, the parties may seek resolution pursuant to Section XII.C of this Compact. The actual costs of final inspection of the facility under this Section shall be the responsibility of the Tribe.

B. Gaming Employees. Every gaming employee shall be licensed by the Tribal Gaming Agency and shall be certified by the State prior to commencement of employment, and annually thereafter. Provided, the Tribal Gaming Agency may issue a license if the employee has a current Class III gaming certification issued by the State Gaming Agency, the employee consents to disclosure to the Tribal Gaming Agency of all information held by the state agency, and the State Gaming Agency certifies prior to licensing that the employee is in good standing. If Class II and Class III table games are combined in a single facility, the parties agree that this could impact the regulatory scheme established under this Compact. In such event, all Class II table gaming employees shall be certified as if they were Class III gaming employees. This provision shall not be applicable to employees engaged in activities related to bingo, pull tabs and/or punchboards.

C. Manufacturers and Suppliers of Gaming Services. Each manufacturer and supplier of gaming services shall be licensed by the Tribal Gaming Agency and shall be certified by the State prior to the sale of any gaming services. If the supplier or manufacturer of the services or goods is licensed or certified by the State of Washington it shall be deemed certified to supply those services or goods for the purposes of this Compact. The licensing and certification shall be maintained annually after initial certification. Professional legal and accounting services shall not be subject to the certification and licensing requirements.

D. Financiers. Any party extending financing, directly or indirectly, to the gaming facility or gaming operation shall be subject to the annual licensing requirements of the Tribal Gaming Agency, and shall be required to obtain State certification prior to completion of the financing agreement and annually thereafter. These licensing and certification requirements do not apply to financing provided by a federally regulated commercial lending institution, the Muckleshoot Tribal government, or the federal government. The source of all funds will be fully disclosed in accordance with IGRA and a copy provided to the State Gaming Agency and, as applicable to the satellite wagering facility and activities, to the Washington Horse Racing Commission.

V. LICENSING AND STATE CERTIFICATION PROCEDURES

A. Procedures For Tribal License Applications and State Certification. Each applicant for a Tribal gaming license and for State certification shall submit the completed application along with the required information to the Tribal Gaming Agency. Each completed application shall be accompanied by the applicants' fingerprint card(s), current photographs, and fees required by the State and Tribal Gaming Agencies. Upon receipt, the Tribal Gaming Agency will transmit a copy of all application materials for each applicant together with a set of fingerprint cards, a current photograph, and the fee required to the State Gaming Agency. For applicants who are business entities, these provisions shall apply to the principals of such entities.

B. Background Investigations of Applicants. Upon receipt of a completed application and required fee for State certification, the State Gaming Agency shall conduct the necessary background investigation to ensure the applicant is qualified for State certification. Upon completion of the necessary background investigation, the State Gaming Agency shall either issue a State certification to the applicant with a copy to the Tribal Gaming Agency, or deny the application. If the application for certification is denied, a statement setting forth the grounds for denial shall be forwarded to the applicant in accordance with the provisions of Chapter 230-50 WAC with a copy forwarded to the Tribal Gaming Agency.

C. Grounds for Revocation, Suspension or Denial of State Certification. The State Gaming Agency may revoke, suspend or deny a State certification under the provisions of RCW 9.46.075, and rules promulgated thereunder, for any reason or reasons it deems to be in the public interest. In addition, these reasons shall include, but shall not be limited to when an applicant or holder of certification or principal of an entity:

1. Is determined to be a person whose prior activities, criminal record, if any, or reputation, habits and associations pose a threat to the effective regulation of gaming or create or enhance the chances of unfair or illegal practices, methods and activities in the conduct of the gaming activities permitted pursuant to this Compact; or the person has violated, failed or refused to comply with the provisions, requirements, conditions,

limitations or duties imposed by any provision of a Tribal/State Compact.

2. Has failed to provide any information reasonably required to investigate the application for state certification or to reveal any fact material to such application, or has furnished any information which is untrue or misleading in connection with such application.

3. Has had a Tribal or State gaming license revoked or denied during the twelve (12) months prior to the date of receipt of the application; is currently on probation; or has demonstrated a willful disregard for compliance with gaming regulatory authority in any jurisdiction, including offenses that could subject the individual or entity to suspension, revocation or forfeiture of a gaming license.

For the purpose of reviewing any application for a state certification and for considering the denial, suspension or revocation of any state certification the state gaming agency may consider any prior criminal conduct or current probationary status of the applicant or holder of certification and the provisions of RCW 9.95.240 and of chapter 9.96A RCW shall not apply to such cases.

4. Notwithstanding anything herein to the contrary, in the absence of other violations, it shall not be automatic grounds for revocation, suspension or denial for an Indian from a federally recognized Indian Tribe to have been charged or convicted of the following non-gambling related offenses the occasion of which occurred prior to Supreme Court rulings on the subject: (1)

fishing or hunting offenses; (2) cigarette, fireworks or alcohol sales offenses; or (3) cases involving the exercise of trust or treaty rights. In the absence of other violations, activities or factors which would warrant denial, revocation or suspension, these Indian individuals shall not be barred solely as a result of such activities from certification.

5. For enrolled members of the Tribe who are applicants for Class III gaming certification and licensing, the State Gaming Agency will consult with the Tribal Gaming Agency prior to denying certification to such an applicant who does not meet the criteria for certification. The Tribal and State Gaming Agencies may waive, by mutual agreement, through a provisional or conditional certification, certain criteria for such enrolled tribal members if the waiver does not pose an appreciable risk to the public or the lawful operation of the gaming facility. If the Tribe can show extenuating circumstances why an enrolled tribal member who does not meet all criteria should be further considered for a provisional or conditional certification, the Tribal and State Gaming Agencies may agree to a temporary certification, based on specific conditions and a further detailed review of the applicant. Additional fees may be required to maintain a conditional or provisional certification.

D. Right To Hearing For Revocation, Suspension, or Denial of State Certification. Any applicant for State certification or holder of a State certification shall be entitled to notice and a full hearing on any action by the State Gaming Agency which may result in the revocation, suspension, or denial of State

certification. The notice and hearing will be conducted in accordance with the procedures contained in the applicable provisions of Chapter 9.46 RCW, Chapter 34.05 RCW and Chapter 230-50 WAC, provided, the State may defer such actions to the Tribal Gaming Agency at the State's discretion, and nothing herein shall prevent the Tribal Gaming Agency from invoking its disciplinary procedures and proceedings.

E. Denial, Suspension, or Revocation of Licenses Issued By Tribal Gaming Agency. The denial, suspension, or revocation of any Tribal gaming license by the Tribal Gaming Agency shall be in accordance with Tribal ordinances and regulations governing such procedures and the grounds for such actions shall not be less stringent than those of Section V.C.

F. Duration and Renewal of Tribal Issued Licenses and State Certifications. Any Tribal issued license or State certification shall be effective for one year from the date of issuance. Provided, that a licensed or certified employee or party that has applied for renewal may continue to be employed under the expired license or State certification until action is taken on the renewal application by the Tribal Gaming Agency or State Gaming Agency or a summary suspension has occurred. Applicants for renewal of the license or certification shall provide updated material as requested, on the appropriate renewal forms, but shall not be required to re-submit historical data already available to the Tribal Gaming Agency or the State Gaming Agency. Additional background investigation shall not be required unless new information concerning the applicant's continuing suitability or

eligibility for a Tribal license or a State certification is discovered by either the Tribal Gaming Agency or the State Gaming Agency.

G. Identification Cards. The Tribal Gaming Agency shall require all gaming employees to wear in plain view identification cards issued by the Tribal Gaming Agency which include photo, first name and an identification number unique to the individual tribal license and/or certification which shall include a Tribal seal or signature, and a date of expiration.

If the State Gaming Agency disagrees with the proposed revised standards, it shall set forth with specificity the reasons for such disagreement. The Tribe will provide the State Gaming Agency ten (10) days advance notice of the rules of each game and any modifications thereof, and will provide adequate notice to patrons of the gaming operation facility to advise them of the applicable rules in effect. In the event of a dispute, the matter will be handled in accordance with Section XII.C of this Compact.

In the event of a dispute the matter will be handled in accordance with provisions of Section XII.C.

7. The Tribal gaming operation shall provide the Tribal Gaming Agency and the State Gaming Agency with a description of its minimum requirements for supervisory staffing for each table gaming pit operated in its gaming facility. In the event that the State Gaming Agency regards such supervisory staffing as inadequate, the Tribal Gaming Agency and State Gaming Agency shall promptly confer in good faith in an effort to reach agreement on supervisory staffing requirements. If agreement cannot be reached between the

State Gaming Agency and the Tribal Gaming Agency, the dispute shall be handled in accordance with Section XII.C of this Compact.

8. Standards for management and operation of the satellite wagering activities shall be consistent with the provisions of this Compact, including Appendix B, and those applicable to non-tribal satellite wagering facilities and activities in the State to the extent not inconsistent with this Compact.

XII. REMEDIES FOR BREACH OF COMPACT PROVISIONS

A. Injunction Against the State. If the Tribe believes the State, whether or not through the State Gaming Agency or Commission, is in breach or default or is otherwise acting contrary to, or failing to act in the manner required by, any of the provisions of this Compact, the Tribe may seek injunctive or other relief in a court of competent jurisdiction. Prior to bringing such action, the Tribe shall notify the State and the State Gaming Agency of the alleged violation(s).

B. Injunction Against the Tribe, the Tribal Gaming Operation, or any Individual. The State Gaming Agency may bring an action to enjoin the Tribe, the Tribal gaming operation, or any individual, if the State determines that any gaming operation authorized by the provisions of this Compact is being conducted in violation of the provisions of this Compact or if any Class III activity is being conducted by others elsewhere on the Muckleshoot Reservation in violation of the provisions of this Compact. Such action shall be brought in the U.S. District Court, pursuant to

25 USC §2710(d)(7)(A)(ii). Solely for the purpose of this remedy, the Tribe consents to such suit and hereby agrees to a limited waiver of sovereign immunity for the purposes set forth in this sub-section only. Prior to bringing such action, the State Gaming Agency shall notify the Tribe, the Tribal Gaming Agency and the Tribal Gaming Operation of the alleged violation(s) and the parties shall meet and confer in a good faith attempt to correct the alleged violation before court action is sought.

C. Dispute Resolution. In recognition of the government to government relationship of the Tribe and State, the parties shall make best efforts to resolve disputes by good faith negotiations whenever possible. Therefore, without prejudice to the right of either party to seek injunctive relief against the other when circumstances require such immediate relief, the parties hereby establish a method of non-judicial dispute resolution in order to foster a spirit of cooperation and efficiency in the administration and monitoring of performance and compliance by each other with the terms, provisions and conditions of this Compact. Unless other procedures and time frames are elsewhere set forth in this Compact, then and in the event of a dispute or disagreement between the parties regarding the implementation of and compliance with referenced provisions of this Compact or otherwise by mutual agreement of the parties, disputes shall be resolved as follows:

1. Either party shall give the other, as soon as possible after the event giving rise to the concern, a written notice setting forth the issues to be resolved;

2. The parties shall meet and confer in a good faith attempt to resolve the dispute through negotiation not later than ten (10) days from receipt of the notice;

3. If the dispute is not resolved to the satisfaction of the parties within twenty (20) days of the first meeting, then the party may seek to have the dispute resolved by and in accordance with the policies and procedures of the Commercial Rules of Arbitration of the American Arbitration Association, at sites which alternate between the Muckleshoot Reservation and the State Gaming Agency or Commission offices after each arbitration dispute, i.e, the first arbitration dispute, until completed, shall be held on the Muckleshoot Reservation; the next arbitration dispute, until completed, shall be held at the State Gaming Agency or Commission offices; and so forth.

4. The arbitration, unless another date is stipulated to by the parties, shall occur no later than fourteen (14) days from the date an arbitrator is named.

5. The decision of the arbitrator shall be final and unappealable.

6. Nothing in this Section shall be construed to waive, limit or restrict any remedy which is otherwise available to either party to enforce or resolve disputes concerning the provisions of this Compact. Nor shall this Section be construed to preclude, limit or restrict the ability of the parties to pursue, by mutual agreement, alternative methods of dispute resolution, including but not limited to mediation or utilization of a technical advisor to the Tribal and State Agencies; provided that neither party is under

any obligation to agree to such alternative method of dispute resolution. The parties to this Compact agree that the favored method of resolving differences is for the State and Tribal Gaming Agencies to meet and confer in good faith regarding the issues in dispute and attempt to resolve disputes through their joint working relationship.

D. Sanctions/Civil Fines. The following is a schedule of civil fines for any violation of the provisions of the Compact Sections set forth below. These penalties are set forth as maximums to be set within the reasonable discretion State Gaming Agency and charged and levied against the Tribe. Provided, during the first six (6) months of actual operation of the Class III gaming operation only written warnings will be issued.

E. Method of Collection and Payment to Washington State Council on Problem Gambling. Any civil fines collected by the State Gaming Agency or the Tribal Gaming Agency pursuant to the provisions of this Compact shall be disbursed at the end of each fiscal year to the Washington State Council on Problem Gambling, a bona fide nonprofit organization, provided that the organization offers some program which takes affirmative steps to reach the

Indian community in Washington State. In the event the Washington State Council on Problem Gambling does not have such an Indian program, or ceases to exist, or substantially changes its purpose, then the parties agree to meet and in good faith designate a successor recipient bona fide nonprofit organization whose primary purposes are related to addressing the ills of compulsive and/or problem gambling within the State, the Muckleshoot Reservation and the neighboring communities. Provided, in the event a dispute arises, it will be resolved pursuant to Section XII.C of this Compact.

**XIII. TRIBAL REIMBURSEMENT FOR EXPENSES INCURRED BY THE
STATE GAMING AGENCY**

The Tribe shall reimburse the State Gaming Agency for all reasonable costs and expenses actually incurred by the State Gaming Agency in carrying out its responsibilities as authorized under the provisions of this Compact. Reimbursement shall be made for monitoring, investigative, and processing costs. With regard to administrative actions, reimbursement shall be made to the extent that costs incurred exceed the certification fees received. The State shall submit a verified, detailed statement with supporting documentation on a quarterly basis to the Tribal Gaming Agency. The Tribe shall reimburse the State Gaming Agency within thirty (30) days after the receipt of the statement of expenses. In the event a dispute arises, it will be resolved pursuant to Section XII.C of this Compact.

XIV. PUBLIC HEALTH AND SAFETY

A. Compliance. For the purposes of this Compact the Tribal gaming operation shall comply with and enforce standards no less stringent than the following with respect to public health and safety:

- Indian Health Service public health standards;

- Federal water quality and safe drinking water standards;
- Uniform Building Code, including codes for electrical, fire and plumbing;
- Public health standards for food and beverage handling in accordance with U.S. Public Health Service requirements; and
- Muckleshoot Tribal Codes regarding public health, safety and environmental protection standards.

B. Emergency Service Accessibility. The Tribal Gaming Agency shall make provisions for adequate emergency accessibility and service.

C. Community and Enforcement Impact Contribution.

1. The Tribe recognizes that activities directly and indirectly associated with the operation of gaming facilities on the Muckleshoot Reservation may impact surrounding local law

enforcement agencies and other services and place an increased burden on them. The Tribe hereby agrees to establish a fund for purposes of providing assistance to non-tribal law enforcement, emergency services and/or service agencies (including those agencies responsible for traffic and transportation) impacted by the Class III gaming facility and to withhold and disburse 2.0% of the Net Win from Class III gaming operation, with the exclusion of the satellite wagering activities, for this fund ("Community Contribution"). A committee consisting of a representative of the Tribal Council; a representative from the county in which the facility is located; a representative from the City of Auburn; and a representative of the State Gaming Agency shall be established. The composition of this committee may be altered by mutual agreement of the Tribal and State Gaming Agencies, if necessary. The committee shall meet at least annually to discuss impacts within the county and on the Reservation. No Class II gaming revenues, satellite wagering revenues, or non-gaming revenues shall be included with the 2.0% budgeted and disbursed as set forth in this Section.

2. Within six (6) months of the date of final approval of this Compact, the Tribe and all local jurisdictions potentially impacted shall enter into a Memorandum of Understanding (MOU) delineating the anticipated governmental relationships and responsibilities both on and off Reservation with respect to the utilization of the Community Contribution. In the event that the parties are unable to enter into such a MOU, except as set forth below, the Community Contribution shall be placed in an interest

bearing escrow account(s) pending the execution of such an agreement. The Tribe shall be entitled to any interest earned on such funds unless it is subsequently determined, under the provisions of Section XII.C, that the Tribe acted unreasonably in refusing to sign such an agreement.

3. The Community Contribution shall be paid within thirty (30) days following the end of each quarter following the opening of the Class III gaming facility to the public.

4. The MOU shall provide that the committee may adjust annually the allocation of the Community Contribution to meet the impacts associated with the Class III gaming by the Tribe.

5. At any time after one year from the opening of the Class III gaming facility, either the State or the Tribal Gaming Agency may request a reevaluation, and possible reduction of, the Community Contribution based on fewer than anticipated impacts. In the event the State and Tribal Gaming Agencies mutually agree, the Community Contribution shall be reduced at that time.

6. In the event of the creation of an escrow account(s), either the State Gaming Agency or the Tribe shall be entitled to invoke the alternative dispute resolution procedures of Section XII.C above. The determination of the arbitrator shall be binding on all parties, including the local governments and agencies, and the MOU terms as determined by the arbitrator shall be approved and executed by all parties. Upon execution, the Community Contribution shall be disbursed.

D. Community Relations. The Tribal Gaming Agency agrees to be available to meet and discuss with neighboring communities any

concerns regarding the impact of the Class III gaming operation upon the neighboring communities.

E. Alcoholic Beverage Service. Standards for alcohol service shall be subject to applicable law.

XV. AMENDMENTS, DURATION AND EFFECTIVE DATE

A. Effective Date. This Compact shall constitute the agreement between the State and the Tribe pursuant to IGRA and shall be amendable and modified only under provisions of the Compact. This Compact shall take effect upon publication of notice of approval by the U.S. Secretary of the Interior in the Federal Register in accordance with 25 USC §2710(d)(3)(B).

B. Voluntary Termination. Once effective, this Compact shall be in effect until terminated by the written agreement of both parties. Provided, should the Tribe wish to cease Class III gaming operations, the Tribe may unilaterally terminate this Compact by submitting written notice sixty (60) days prior to the date of termination to the Governor of the State of Washington. Provided, State jurisdiction under this Compact shall continue until the completion of any pending investigation or court action. Suspension or injunction of Class III gaming operations shall not constitute termination for the purpose of this sub-section.

C. Other Termination - Change of State Law. If the laws of the State authorizing the activities set forth herein as Class III gaming activities are repealed prohibiting such gaming for any purpose by any person, organization or entity, it is the State's position that the provisions of the Compact providing for such

gaming would not be authorized and continued operation of such gaming would constitute a violation of the Compact and the State may bring an action in Federal District Court pursuant to 25 USC §2710 (d)(7)(A)(ii).

The Tribe disagrees that such subsequent State legislation would have this effect under IGRA and the Compact, but does agree that such an action, if commenced in that forum, is the appropriate State recourse and for such purpose the Tribe consents to such a suit and hereby grants a limited waiver of sovereign immunity solely for the purpose of litigating the said issue.

D. Amendments/Renegotiations.

1. Amendments - Mutual. The terms and conditions of this Compact may be amended at any time by the mutual and written agreement of both parties, and as provided in this Compact.

2. Amendments - Contractual. The parties shall amend through renegotiation the wagering limitations, hours of operation, size and/or scope of Class III gaming as set forth in Section III above upon written notice and request by the Tribe to the State if and when:

(a) the laws of the State are amended, expanding gaming beyond that which is now allowed under the terms of this Compact;

(b) a State or Federal court within the State of Washington or a federal court interpreting the laws of the State of Washington issues a final and unappealable decision that permits participation in a gaming activity that was not authorized for any

purpose by any person, organization or entity at the time this Compact was executed and is not authorized by this Compact.

3. Renegotiation - Tribe. The parties shall renegotiate the nature and/or scope of Class III gaming as set forth in Section III upon the written notice and request by the Tribe to the State if and when:

(a) laws in the State are enacted allowing gaming which is now prohibited; or

(b) the Tribe wishes to engage in forms of Class III gaming other than those games authorized in Section III including, but not limited to, live horse racing.

4. Renegotiation - State. The parties shall renegotiate Compact Sections containing provisions affecting health, safety and welfare or environmental requirements, including Sections IV, V, VII, XI or XIV, upon the written notice and request by the State to the Tribe if and when circumstances and events unforeseen at the time of the negotiation and execution of this Compact occur meriting discussion and renegotiation of such provisions. The notice to amend or renegotiate shall include the activities or circumstances the State wishes to negotiate, together with a statement of the basis supporting the request. The parties agree that negotiations shall commence in good faith and within thirty (30) days of the request. If the renegotiations are unsuccessful, then the matter shall be resolved pursuant to Section XII.C which shall be mandatory and binding.

5. Renegotiation - Either Party. Notwithstanding anything in this Section XV.D to the contrary, at any time after

twenty four (24) months from the date of opening the gaming facility authorized under this Compact, either the Tribe or the State may request renegotiation of any of the provisions of this Compact if and when circumstances or events occur that merit the discussion and renegotiation of such provisions. The request to renegotiate shall include the activities or circumstances the party wishes to negotiate, together with a statement of the basis supporting the request. The parties agree that negotiations shall commence in good faith under IGRA and within thirty (30) days of the request. The original terms and provisions of the Compact will remain in effect unless and until the parties agree on the renegotiated terms.

6. Process and Negotiation Standards. The notices to amend or renegotiate shall include the activities or circumstances to be negotiated together with a statement of the basis supporting the request. If the request meets the requirements of this sub-section proviso, the parties shall confer and required negotiations shall commence within thirty (30) days of the request. All matters involving negotiations or other amendatory processes under this Section shall be otherwise governed, controlled and conducted in conformity with the provisions and requirements of 25 USC §2710(d), except in sub-sections where a different resolution is specifically provided in the event of an unsettled dispute or where agreement is not reached by the parties.

7. Authorization to Other Tribes. Notwithstanding any other provision of this Compact to the contrary, in the event that the State enters into or amends a compact with another tribe

located in the counties of Whatcom, Skagit, Snohomish, King, Pierce, Pacific, Clark, Thurston, Mason, Grays Harbor, Kitsap or Clallam and such agreement gives any such tribe more gaming stations, higher wager limits, more hours of operation, or any combination thereof, then this Compact shall be renegotiated and amended to maintain equality with tribes located in the above listed counties.

XVI. LIMITATION OF LIABILITY

Neither the Muckleshoot Tribe nor the State are creating, or intend to create, any rights in third parties which would result in any claims of any nature whatsoever against the Tribe or the State as a result of this Compact. Neither the Muckleshoot Tribe nor the State has waived immunity from third party suits or claims of any kind or nature whatsoever against them, and nothing contained in this Compact shall be construed to effect a waiver, in whole or in part, of said immunity.
